- 360° swivel casters for mobility
- 120 Volt, UL, CSA and CE approved

Shipping Weight: 25 pounds, 3 ounces Made in USA

# SILVER STAR STEAMER

## Model SR-5000

The 120V Silver Steamer SR-5000 works well under any kind of operating conditions. The preheater allows this steamer to emit steam promptly (in under a minute) and efficiently with little lag time between operations. Its excellent design permits 360° movability without leaking water from the water tank and ensures stability by using electrical parts approved by UL and CSA.

This steamer also features an automatic shut-off thermostat control and secondary fuse back-up system which ensures a fail-safe system to prevent burn-out of the heating element. Indicator lights show when unit is on or off.

Shipping weight 21 pounds. Made in Korea.
